C O M E E X P L O R E
The Galapagos Islands

Snorkel with sea lions, soak up the sun with iguanas or marvel at the natural beauty that surrounds you – just a typical day in the Galápagos archipelago! With no known predators, the wildlife here exhibit almost no fear of humans. But really, if you got to lay about on the stark lava fields of Rábida or the white-sand beaches of Española Island, you'd be pretty mellow, too.
